

Ensuring the Quality of Your Alternative Provision

Dear colleague

Manchester Settlement School is an OFSTED approved provider of full time alternative education based in Openshaw, Manchester. We have worked in partnership with the high schools and academies of Manchester and Tameside for many years, helping those schools to ensure that they meet the expectations of OFSTED when referring pupils to alternative provision.

Having recently expanded our floor space there are currently a small number of KS4 places available from September. The contract model we use ensures that we can maintain a staff team that is qualified to teach GCSE and other qualifications, helping pupils to maintain their academic focus, whilst receiving intensive support around the issues that have been barriers to their learning.

Open Days

We are holding 2 open days in July, where you or colleagues can come along to take a look at daily life in our school, and to meet the team. If these dates are not suitable, or you would like to arrange a meeting at any other time, that is of course fine.

Wednesday 6th July: 10 – 4pm
Tuesday 12th July: 10 – 4pm

Please let us know if you plan to attend

I am enclosing our prospectus for referring schools, which outlines our capabilities and our offer, please do get in touch if you would like to discuss matters further or to make a booking.

Yours sincerely
